## CIDERWORKS

## Craftifly Crushed

We've crushed Virginia apples to make award winning ciders that aren't too fussy and pair well with everyday life. Ranging from semi-sweet to off-dry, our ciders are sold in beach communities throughout Virginia and North Carolina. The Phoebus taproom hosts events, music, food trucks, **special ciders** you can't get anywhere else.

WHO'S CLYDE?

## OUR GRANDFATHER, CLYDE

H. Clyde Smith

Doug Smith

Tim Smith

**H. Clyde Smith** was a mortician whose calm demeanor and wicked sense of humor kept us laughing as kids. He loved a good story and always had a sly smile that made you realize that he had a few secrets about life that he was waiting for you to learn. He never lost his smile and always believed in the human capacity to thrive.

Our Taproom is in Clyde's house and you can raise a glass to his slyness the next time you're in.
